Hi Larry,

Thank you for your letter. We will follow up with a written reply regarding the list of joint tasks and commitments as requested.

At our meeting, I promised to let you know in advance if there would be any delay in EPA issuing a letter to WDNR within two weeks of our July 22<sup>nd</sup> meeting (August 5<sup>th</sup>). As I thought might happen, we have been asked to share the draft letter with EPA's Office of General Counsel. This will result in a short delay. I will keep you informed as to the length of delay as I find out more information.

Sincerely,

Margaret
